

Barry Goldberg

In addition to my position as the Head Coach of American University Volleyball, I have been involved in volleyball here in the Chesapeake Region for more than 25 years and will continue to help promote and improve the quality of the sport as a member of the Board.

Brandon Kosatka

Born and raised in the DC Metro area, I have been an active player for more than 20 years. I was a member of the first Fairfax JO team in 1991 and 1992 and played for The Citadel as a starting member of their club team. I played sporadically in the Shenandoah Valley while earning my Master's degree at James Madison University. Returning to the DC area in 1999, I have been playing consistently with the CHRVA adult program and numerous adult recreational men's, co-ed, and reverse co-ed leagues. I am a Regional Scorer and have been a Provisional Player-Referee for the past 10 years. I also coached in Fairfax County Public Schools as volleyball made its entrance into the school system in early 2000 and 2001.

I feel that my various volleyball experiences can be put to good use by CHRVA. I'd like to contribute in any way that I can.

Jackie Krampf

I have been involved with the Chesapeake Region for almost 30 years as a player, coach and administrator. As a player, I have been playing in Washington DC area indoor, grass and beach tournaments since 1985. As a coach, I have been a volunteer coach with a local club since 1996, a Junior Varsity High School Coach since 2008, an assistant coach on the CHRVA High Performance Teams from 2008-2011 and recently a Varsity Boys High School Coach. As an administrator I served as the CHRVA 15/16 Age Group Coordinator from 2004-2008 and have served since 2009 as the CHRVA Junior Girls Administrator and Tournament Chair. I would love to have the opportunity to continue to serve the volleyball community as a member of the CHRVA Board.

Rob Lewandowski

I have been a CHRVA Board member for four years, specifically working as the Junior Boys' Director in the region. In collaboration with the club directors, we have increased the number of boys participating in the region and improved our visibility and communication with tournaments within the region and surrounding areas.

I have been a part of the Chesapeake Region as a player and a coach for 12 years, and would love to continue to work with the Boys' club directors to improve programming for younger players, increase the number of boys participating, and increasing the number and size of in-region tournaments.

Lynette Muller

I began my volleyball career in 1982 playing four years in high school, earning an athletic scholarship to Concordia College where I played for two seasons. I moved from New York to Virginia in 1994 where I resumed playing volleyball and became a member of Chesapeake Region Volleyball Association (CHRVA). I started playing at the BB level, and eventually moved up to the A/AA level, serving as a player/coach for several seasons. I served as the Men's A/AA Coordinator for three years and a member of the Scoresheet Review Committee for several years. I found a passion for scoring and obtained my Regional Scorer Certification in 1989. In 2003, I obtained my National Scorer Certification and continue to maintain my skills by scoring collegiate matches as well as national events. I accepted the position of Junior Scorer Certification Assistant in 2010, Adult Scorer Certification Assistant in 2011, and I continue to manage both processes.

I am a firm believer that if you are not willing to be part of the solution, then you have no right to complain. I have supported CHRVA in various capacities since 1995 and am always looking for opportunities to improve and enhance member's experience with regional play.

Monica Peele

I began playing volleyball in Junior High School and continued playing through high school. After high school, I earned a track and field scholarship and attended college. Upon completion of my four years of undergraduate school, an opportunity presented itself, one I could not refuse; a chance to play the sport I truly love, volleyball, on our university's first women's volleyball team!

In 1991, I became a member of the Chesapeake Region Volleyball Association (CHRVA). I began playing BB and after a few years of getting back into the sport I began playing A/AA. Eventually, I assumed the role of team representative, where I began to pursue other interests in the Region. My interest led me to becoming a Regional scorekeeper with advancement up to becoming a Regional referee. I continue to enjoy the game of volleyball, as I have for the past 20 years. As a member of the CHRVA Region, I have met, played and enjoyed lasting friendships!

I believe: "Differences are efficient and effective work processes that contribute to the overall success of any mission."

Bree Seeger

I have been associated with CHRVA as a player, a certified referee and scorekeeper, and team rep for the past 12 years. I have been the Men's Gold Coordinator the past five years, a Board Member for four years, and I am currently the Boys Administrator. I'm excited about the new changes of this season and the direction it will take us. I look forward to contributing to the continued growth of our region.
