Cadre:

- TBD
- TBD

This course includes all modules necessary for certification! You do NOT have to purchase modules separately. If you have attended a module prior to the Course and have a module certificate to apply to this course or you cannot stay for the modules on Sunday afternoon please contact the CAP Department at the information below. You are REQUIRED to stay all day on both days and attend all sessions in order to receive certification.

Consult the USAV web site Events menu and then Cap Course for additional information and to register.
