

From the Commissioner

Exciting news for CHRVA! We have been selected as a stop on the USAV Junior Beach High Performance Tour on May 13, 2012, in Rehoboth Beach, Delaware. Thanks to our partner, Mid-Atlantic Volleyball, we will be offering a Junior Doubles sanctioned tournament on May 12 and the HP Junior Beach tryouts on May 13. Sign up for the High Performance tryouts at www.usavolleyball.org/juniors/junior-beach-programs. You do NOT need a partner to try out for HP and the all ages from 12 to 25 are invited. Remember, High Performance tryouts for indoor and outdoor use the FIVB age classifications of January 1 instead of USAV's September 1.

After you play in the May 12 tournament and then tryout on May 13, there is a lot more to do this summer in our CHRVA Junior sanctioned events. Find out all about it on our webpage under the tab, "Outdoors." Adults can compete in their own outdoor tournaments at the same sites as the Juniors. [Click here to view the complete schedule for Juniors outdoor doubles summer tournaments.](#)

Our Chesapeake Region championships are ready to start. Teams are preparing for the opportunity to represent our region at the National Championships. The Adult Open National Championships will be held in Salt Lake City, Utah, followed by the Girls' National Championships in Columbus, Ohio, and concluding with the Boys' National Championships in Dallas, Texas. Good luck to the many teams who are participating in those competitions.
