

Happy Holidays from Those in the Junior Girls Administration

Those of us in the Chesapeake Region Junior Girls Administration would first like to wish you all the best during this holiday season. Most of us have gone through tryouts, started our practices, attended scorer and/or referee clinics, and we are anxiously anticipating our first tournaments. We, in the Junior Girls administration, have attempted to make all the stages as smooth and seamless as possible. Every detail does not go as planned. However, we have made great strides in keeping up with the growth of our region.

This has been a record-breaking year in terms of numbers. Here are a few examples: there are now 79 clubs, 375 teams, and more than 5000 junior members. This membership does not include the adults who are affiliated with the Junior Girls program, such as coaches, parents, etc. We also conducted 12 referee and scorer clinics in which more than 2100 participants attended. Also, there are five in-region IMPACT clinics held for coaching education.

I would like to use this venue to publicly thank those who volunteer their time to make this all happen. These are a small group of individuals who juggle their personal lives and their passion for the sport to help create an environment for the players to compete. I know for a fact that not a day goes by for months at a time where these individuals do not interrupt their private lives to attend to region business.
