

From the President

It's been a busy summer for your CHRVA Board and Staff. There are so many new things for the coming season that I can't urge you enough to read this issue of Digs from top to bottom!

Registration

Webpoint will be open for registrations on September 15. At that point you can begin registering your team/club members and assembling your teams.

Nothing has changed for the Juniors' program.

All Officials who work at Junior matches are required to get a background check. If the system does not show a positive background check, you will not receive any assignments.

There is a small change to the Adults' program. The "CHRVA Club" has been dismantled. If your team belonged to an actual club, you will find that club name in the list. If your team was in the "fake club," CHRVA Club, that no longer exists. Instead you will find your team name in the list of clubs.

Changes to the Adults' Program

The Board voted to make some changes to the Adults' program.

As outlined in a subsequent article, the adults are no longer required to wear matching bottoms. Each player on the team may wear whatever bottoms they prefer. The uniform jerseys must continue to follow the rules as they are stated in the National rule book

If your team is in a club, the rules for borrowing players have changed. First, a complete adult team is now defined as seven players to allow a team to use a libero. When your team is reduced to fewer than seven players, the team may borrow however many players needed to make up a roster of seven players for the day. Also, instead of only being allowed to borrow one player from a club team of the same level, a team may borrow up to two players from a lateral team.

I hope you all have a wonderful season!
