

## **CHRVA MAKES A STATEMENT IN IOWA**

The Chesapeake indoor High Performance (HP) teams are starting to receive the national recognition it rightfully deserves at the National HP Championships. At this year's event in West Des Moines Iowa, despite entering the tournament seeded 14<sup>th</sup> and 16<sup>th</sup>, the CHRVA Youth (15/16 age group) and Select (13/14 age group) teams concluded the tournament on a very positive note. While the Youth team brought home the Silver medal by finishing 2<sup>nd</sup> in their division, the Select group managed to make its best showing ever at this event by finishing in 9<sup>th</sup> place!

The High Performance Championships is one of USA Volleyball's flagship events. The 90+ team event features tournaments for both boys and girls that include teams from USA Volleyball Region HP teams, International teams, and teams from the USA Volleyball High Performance pipeline. Past International teams have included: Chile, China, Dominican Republic, Italy, Mexico, New Zealand, Peru, and Puerto Rico.

Congratulations to those athletes who were selected for this year's teams:
