

## 2016 CHRVA Regional - High Performance Beach Team Application Form

Qualifying CHRVA members may be invited to represent the Chesapeake Region at the USAV High Performance Beach National Championship. Selected candidates must be CHRVA members, and will be responsible for all personal travel and trip expenses. The costs for training, equipment, uniforms, and coaches travel and expenses must be split between team participants. The costs per player is estimated between \$700 to \$1000 per player (based on 10 participants) which includes 28 hours of training and coaches traveling with the team. Participant travel is not included. Teams will be selected from the best player applicants in the Region through an application, tryout, club or coach nomination, and finalized via competition in tournaments which help coaches more accurately select, seed, and pair players in each age-group. The USAV Beach HP Championship (BHPC) is a very competitive, national competition. Competing players achieve visibility on a national stage and may be considered favorably as NCAA eligible athletes. Beach Volleyball is a growing sport. Application should be filled in and sent to [beach.hp@chrva.org](mailto:beach.hp@chrva.org)
