

Commissioner's Report

It's summertime! Exciting times for the Chesapeake Region!

Each year our region recommends names of individuals to USA Volleyball for the Robert L. Lindsay Meritorious Award. This award recognizes members whose work in the region has made our volleyball experience so wonderful. Our 2012 award winners for the Robert L. Lindsay Meritorious Award are: John "Skip" Sekerak, Courtney Kennedy, and Matthew Moake. Please join me in congratulating them for their work in the region.

The 2012 Olympics is just around the corner in London, England and will showcase our USA Volleyball National teams indoors and outdoors. Support the USA teams!

Our outdoor junior opportunities have grown tremendously this summer! It's time to get out in the great outdoors and keep your volleyball skills sharp. As many of you know, our region hosted the USAV High Performance Junior Beach Tryouts in May. We are seeking juniors (for beach, this means under 26, born after 1/1/1987) who would like to try out for our CHRVA junior beach teams going to the USAV HP Beach Championships in July to travel to California. Info for this and all our outdoor volleyball can be found on our website, click on the "Outdoor" tab.

CHRVA has partnered this year with Fairfax Volleyball Club, Mid Atlantic Volleyball, Baltimore Beach, and No Panic to offer tournaments and clinics to run alongside their successful adult tournaments. No excuses accepted to not join the fun and go out and play. Mom and dad can play at the same tournament site as the kids; when was the last time that happened?! Outdoor volleyball is a great way to stay in shape, it's relaxing, fun, and it improves your indoor play. So come on out and support our tournaments. For more information, go to our award winning website and click on the "Outdoor" tab at the top. Remember, we practice good sportsmanship when playing outside AND inside.

When you are not playing outside, remember to support our teams playing at the USAV National Championships each May. Our adult teams just came back from a successful championship in Utah. Now it's time for our Junior Girls, Junior Boys, and Girls' High Performance Indoor Teams and our CHRVA HP Junior Beach teams to travel for their championships. As you can see we have volleyball year round, always something to do in CHRVA!

Have a great volleyball summer!
