IMPACT Training (Increased Mastery and Professional Application of Coaching Theory)

This is an education training that will teach you the fundamentals and the USAV coaching philosophy. Upon completion of the training, you will receive a certificate and an IMPACT book.

Every CHRVA Junior team must have at least one IMPACT certified adult coach on the bench during warm-ups at a sanctioned USAV tournament. CHRVA recommends that all coaches complete the training. If there is no verifiable IMPACT coach with the team, the team will not be allowed to play.

IMPACT training does not need to be renewed. USAV offers additional IMPACT training through the internet, look on their website, www.usav.org for more information. Coaches who complete the IMPACT clinic from USAV must e-mail me a copy of your certification.
